The Director of Central Intelligence  
Washington, D.C 20505

Critical Intelligence Problems Committee

DCI/ICS 86-3752  
18 June 1986

MEMORANDUM FOR: Members, Critical Intelligence Problems Committee

VIA: Eloise R. Page  
Chairman

SUBJECT: Status Report on CIPC Projects and Activities--May 1986

25X1

1. Committee Meeting: The committee did not meet in May. The next CIPC meeting is scheduled for 30 June 1986. The primary agenda item will be the China Follow-up Report. Subsequent to Committee approval, the report will be forwarded to the DCI and DDCI for their information and use as appropriate. At present, the follow-up report does not identify any new recommendations.

25X1

2. In addition, a number of CIPC working group chairmen will provide status reports on the progress of the following CIPC studies that are scheduled to be completed over the next two - four months:

3. NFIP Support to Contingency Operations: The CIPC's working group on NFIP support to contingency operations has been meeting twice weekly since late April. However, this schedule was interrupted for a week in mid-May when members attended DIA's Symposium on Low Intensity Conflict. To date, the group has concentrated on how support is now provided to U.S. forces.

5. You will recall that the Mobile Missile Panel has been adjourned, pending the arrival of the new panel chairman--Maj. Gen. Jim Pfautz, USAF (Ret.). We anticipate that his processing will be completed by early July. The panel will reconvene at that time and complete its work as directed by the ADCI. Specifically, it will update the Mobile Missile Study to include the work of the DCI's Scientific and Technical Advisory Panel (STAP) on [redacted] and the Strategic Air Command's concept of operation.

25X1

6. Other CIPC Studies: A number of other CIPC studies are concurrently underway. Terms of Reference for these studies-- [redacted]

25X1

[redacted] have either been completed or are nearing completion. Meanwhile, the working groups have been meeting regularly in an effort to complete their respective studies at the earliest possible dates. [redacted]
